

E691A

4 x PoE 802.3 AF / AT PCIe Card

Introduction:

4-port 10 / 100 / 1000 BaseT(X) 802.3af (PoE) Compliant Ethernet ports, PCI Express Communication Card

Top

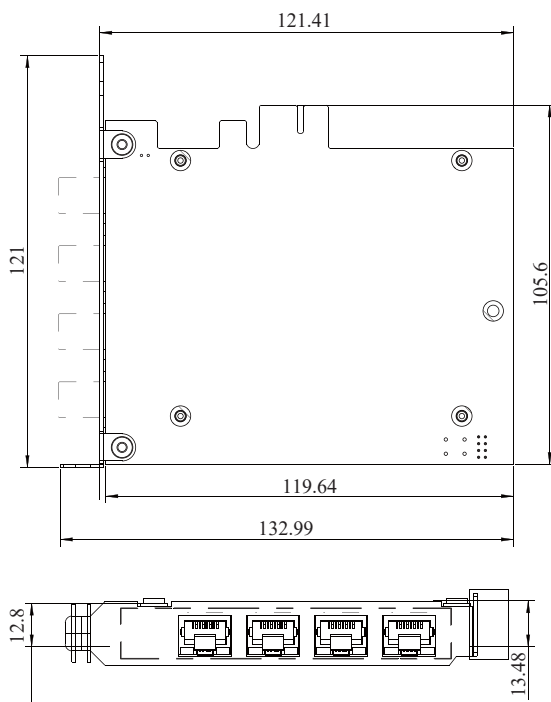

Features:

- 4 Independent Gigabit Ethernet ports (Intel® i210IT)
- PCI Express® x 1 compliant (Gen2)
- IEEE802.3 AF / AT for Power over Ethernet
- Supports Jumbo frame 9.5kB and link aggregation
- Supports 12 VDC AT / ATX input power boost up to max 25 watts at 52 VDC per PoE
- Port, total power 60W
- PoE Power On / Off control by GPIO for each port (optional)

Specification:

Function	4 x PoE 802.3 AF / AT
Bus Interface	PCIe x 1
Ethernet	4 GbE RJ45 LAN port (M12 I/O – OEM)
Operating Temperature	-40°C ~ +85°C
Dimensions	121 x 121.41 mm
