E610A

E610A: 2 port 10 GbE LAN PCIe card

Introduction:

Featured with Intel® Ethernet Controller E610-XAIT2, this PCIe card provides 2-port 10Gb / 5Gb / 2.5Gb / 1Gb / 100Mb Ethernet connectivity.

Top

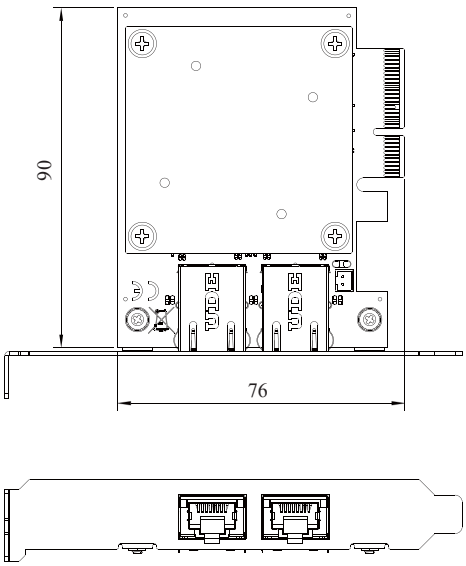

PoE Features:

- Intel® E610-XAIT2 LAN chipset supports PCIe v4.0 (16 GT/s) x4 interface
- Supports multi-gigabit speeds: 10G / 5G / 2.5G / 1G / 100M
- Based on Intel® Ethernet 500 Series architecture
- Intelligent Flow Direction: Receiver Side Scaling (RSS) and Intel® Ethernet Flow Director
- Supports Tx / Rx IP, TCP, and UDP checksum offloading (IPv4, IPv6)
- Supports Tx TCP segmentation offload (IPv4, IPv6)

Specification:

Function	2 port 10 GbE LAN PCIe card
Interface	PCIe x 4
Ethernet	2 RJ45 LAN port
Operating Temperature	-40°C ~ +85°C
Dimensions	90 x 76 mm
